**November, 2005**

Miscellaneous

Local Tour Permit Applications - *Don will contact Drew to discuss Local Tour Permit details with Pack management.*

Future fundraising opportunities – *Discussed the Pack's options going forward with fundraising. There was general agreement that the fundraising events that directly involve scouts are the best, because it keeps them involved and teaches them that they must earn their rewards. That would mean less of the set-up and break-down kind of things. Concessions stand does keep the scouts involved, There was also some discussion of adding fundraising events potentially “watering down” the participation in other established events. The issue was tabled while Pack Management considers the issues.*

Citizen WAP – Saturday, December 10<sup>th</sup>, The Roberts School

Charter Renewal

- Turn-in Event, December 10<sup>th</sup>, 8-12am, KUMC, (specific time will be assigned)
