#### Additional Items Discussed:

Jason Cook's den built a trash can cover for Revere playground. They worked with Lisa Neff to decide on the project and to have the HOA pay for the supplies.

Pack management like the benches idea.

Schedule the PWD follow-up meeting. Open the meeting to the people who served on the committee and to the leaders. Tuesday March 28th, try location of HOA conference room.

We must have the boys in uniform when traveling on a local tour permit. Record permanently the driving information.

Internet badge the boys can earn from the Boy's Life web site.

Looking for a bricklayer to build a shell to house our grill as a donation to the Legacy Park HOA.
