

Cub Scout Pack 002
September Leader Meeting

Update Audra's cell number on ScoutTrack from my cell - Done
Remove Thomas Edwards as den leader for den 11 - Done

Have people tell their den leader if they attended Red Top. There will be a patch. They did a flag retirement ceremony.

Movie night concessions. Sold more candy than last time, like Twizzlers, etc. Sold fresh-popped popcorn. We couldn't keep up with the demand for the popcorn. Considering upgrading the popcorn machine to one that will pop more at a time. Perhaps look into trading ours to an entertainment vendor in exchange for us buying a larger used one from them. Net proceeds from the event was around \$450.

Sherry Levine would be someone to contact about coordinating the Lake Allatoona clean-up. In Rob Tallis' den. May want to drive to the check-in days before to make sure you know where you're going. Should dress in class B. Make sure they have tennis shoes, not open-toed. Wear jeans shorts or long jeans pants. This is part of the outdoor activity patch. Set a staging area (like amph parking area) to carpool from. The Scouts get a patch that same day. Should take no more than a couple of hours. <http://allatoona.sam.usace.army.mil/GALC/cleanup.htm> - Sherry contacted.

Pack meeting for September. Will have a reptile expert come out and do a presentation for us. Instead of a game. No skit either. Craig's den doing the flag ceremony.

Den 5 skit in November.

Pumpkin Festival - Make sure boys don't carry the pumpkins by the stem. Will be getting corn stalks and hay bales also. May also get a large, large pumpkin to raffle off. Want to decorate the pumpkin patch really nicely this year to draw people in.

I'm developing the floor plan and the setup on where items will be situated in the festival. Will keep all vehicles on the path. Will be a one-way flow, with vehicles exiting through gate and onto circle before about 10:00 am. If it rains, Sunday will be the backup plan. I need to develop a map, schedule drop off and pick up of equipment, and coordinate equipment.

Turkey Shoot and Cub-O-Ree. Need to get registered by October 12th. We will be taking registrations and money at the September Pack meeting. Collecting \$7.00 per participating Scout made out to Pack 002. Get information to Pedro. - Done.

District Recharter is Saturday, December 16th. Internet/Advanced training is 10/11/2006, 10/19/2006, 10/24/2006 to attend. Me.

Email to Pack encouraging them to go to Scout Expo. \$3.00 per person for tickets. Jim Miller park.

Send an email to the leaders with a round-up of upcoming training events and info. Don't have to be a leader.

If anyone needs wax for fire starters, let Audra know.

Scott Widmier will look into having our Pack participate in the Kennesaw parade in December or late November. Scott will coordinate our participation. Second week in December, probably 12/9/2006.

Record all awards by Wednesday at noon prior to the Pack meeting to make it in time for the meeting.
